### About This Game

Fly through a neon, virtual reality paradise as Kitty Hawk, the inter-dimensional voyager. Navigate through strange structures, avoid fireball-hurling monkeys, dodge ravenous space bats, and most importantly--never give up.

The controls are simple. Flap your arms to soar. Hit the trigger for a boost.

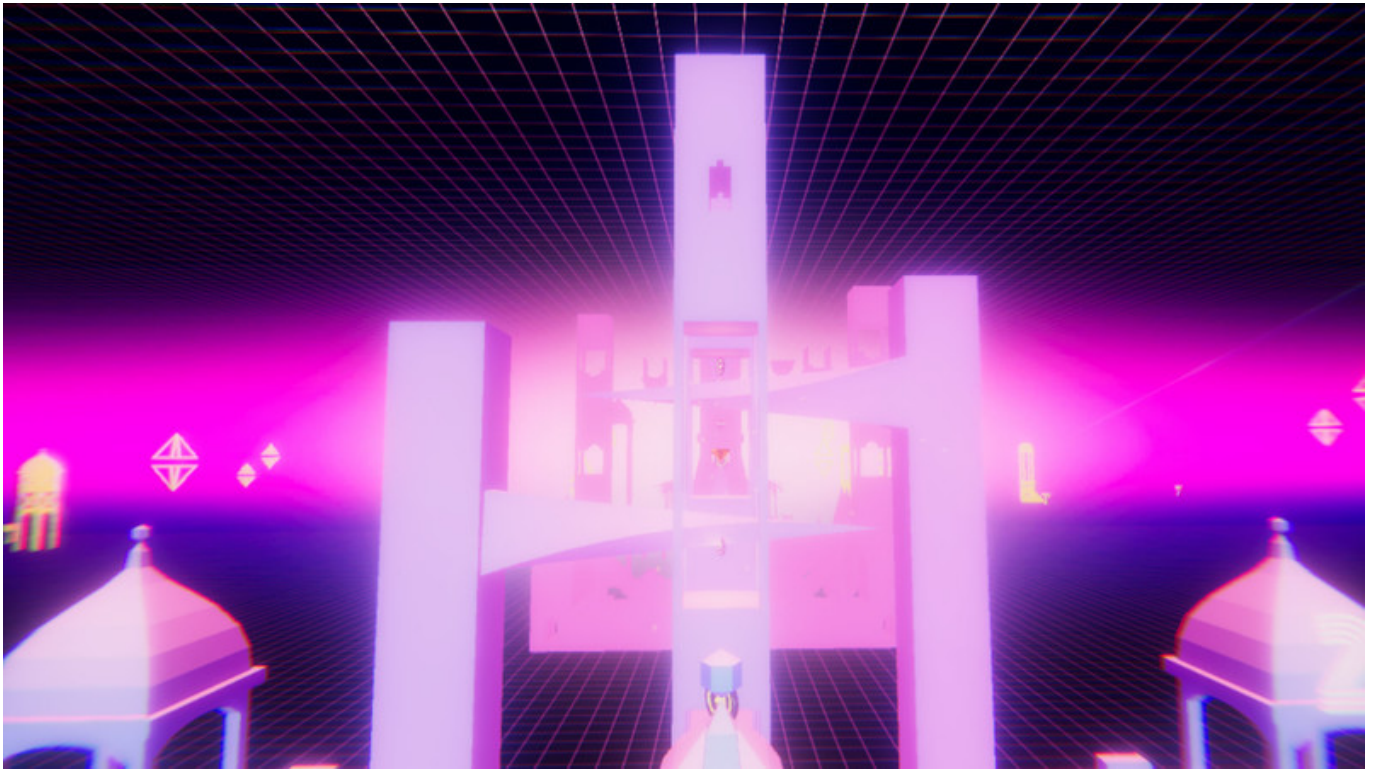

The objective is clear. Survive as long as you can. Grab precious gems for points.

This is a weird game. Essentially, it's the mobile game Flappy Bird except you're a cat and you have cardboard wings. Still, it can be a fun party game - especially for young people.
